Vantage Point

— Kerala's first 2nd home —

CONNECTED TO ANYTHING AND EVERYTHING!

Life at its best! This would only be the least one could say about the first 1 BHK apartment project in Kerala. An unimaginable location like Bakery Junction which is bang in the middle of the capital city extends a living option beyond your imagination. If you are seeking a 2nd home or looking for a lucrative investment opportunity, your search ends here.

CONNECTED TO CONVENIENCE

Vantage Point simply makes your life easy. Besides offering you a location which embraces the most pivotal points in the capital city, this first of its kind apartment project also makes you enjoy the beauty of living in exclusive and functional spaces.

CONNECTED TO CLASS

The 1 BHK apartments at Vantage Point are designed in a way that they mirror your tastes, class and preferences. Drawing upon the traditional wisdom of Vasthu as well as reflecting the latest trends and turns in architecture, every aspect of the project is conceived in a way to suit the behaviour of the occupants.

CONNECTED TO FUTURE

A location that says it all! From educational institutions of repute to famous hospitals to the Railway Station to the Bus Hub to restaurants to shopping malls to anything and everything; at Vantage Point you will find them all at your arm-stretch.
